## THE TWELVE STEPS

- 1. We admitted we were powerless over alcohol—that our lives had become unmanageable.**
- 2. Came to believe that a Power greater than ourselves could restore us to sanity.**
- 3. Made a decision to turn our will and our lives over to the care of God as we understood Him.**
- 4. Made a searching and fearless moral inventory of ourselves.**
- 5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.**
- 6. Were entirely ready to have God remove all these defects of character.**
- 7. Humbly asked Him to remove our shortcomings.**
- 8. Made a list of all persons we had harmed, and became willing to make amends to them all.**
- 9. Made direct amends to such people wherever possible, except when to do so would injure them or others.**
- 10. Continued to take personal inventory and when we were wrong promptly admitted it.**
- 11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.**
- 12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.**

## THE TWELVE TRADITIONS

- 1. Our common welfare should come first; personal recovery depends upon A.A. unity.**
- 2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.**
- 3. The only requirement for A.A. membership is a desire to stop drinking.**
- 4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.**
- 5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.**
- 6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.**
- 7. Every A.A. group ought to be fully self-supporting, declining outside contributions.**
- 8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.**
- 9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.**
- 10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.**
- 11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.**
- 12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.**

# DELEGATE

Greetings!

Since the last issue of the GFP in June, I've given 11 reports to 13 districts, and have 2 more scheduled. I will again extend the offer to the 13 districts that haven't yet asked me to come to them. This issue of the GFP will come out in October, and I am still on duty until 12/31/2019, so it's not too late yet! At 3 of these reports, districts combined to put on the event; in SW Ks, Districts 16 & 17 incorporated my report into their annual Family Fun Day at Meade State Lake. I got to share the 'podium' with the Dist. 22 DCM, Geno R, who was the featured speaker. District 10 and the linguistic Distrito 27, had a combined event in Lenexa. And Districts 19 and 20 (linguistic) included me in a Service workshop where the district committee chairs spoke about their activities and the Spanish groups brought the food.

It has been an absolute joy to travel the state and interact with so many of you. And you have treated me so well everywhere. Thank you!

Our newly elected SW Regional Trustee, Jimmy D from NE Texas Area 65, has not wasted anytime getting to work. He sent the Delegates an excellent report on the July Board meeting, and attended not only our election in July, but also went to N. Mexico Area 47 for their election. One thing I've learned from him is another example of how dedicated and literally unique our SW Region is. In June, shortly after he was elected, all of the past trustees from the SW Region traveled at their own expense and conducted a weekend long trustee orientation session with Jimmy. When he got to New York for the official orientation, he found out that the SW Region is the only region where the past delegates do this. Makes me proud to be a part of this region!

I'm looking forward to our State Conference next week, and then to the Regional Forum in Houston Oct 11-13. It will be good to see so many of you at these gatherings.

## **Upcoming delegate reports:**

- Oct 26 – District 12 Pig Roast, 4:00-7:00 p.m., 1620 Hubbard ST, Great Bend, Ks
- Nov 2 - District 13 Fall Festival, 2:00-9:00 p.m., 221 SE 14th, Newton, Ks

Thank you all for letting me serve as your delegate!

In Unity & Service,  
Dave R, Panel 68, Area 25 Kansas

# ALT. DELEGATE

Greeting Area 25 Members,

On Sunday August 25th, 2019 I had the pleasure of joining a conference call with our Southwest Regional Trustee, SW Regional Delegates and SW Regional Alt. Delegates. We discussed the July, 2019 General Service Board Weekend Report. I am sure Dave will provide an update to you regarding this meeting. This gave me an opportunity to understand more about current business being conducted as well as preparing me for my upcoming assignment as your incoming P70/A25 Delegate.

At the Southwest Regional Forum in October the Alt. Delegates for the Southwest Region will meet to discuss the following:

- SWRAASA 2020 update - Ray O., P68/A66 Texas
- Alt. Delegate Guideline recommended change regarding Minutes Log – Bill L. P68/A46 New Mexico
- SWRAASA Guideline recommendations – Mark B., Ad Hoc Chair, P69/A39 Missouri

I would like to share with you a couple things happening in the Southwest Region.

## **Area 46 New Mexico hosts an Area Forum every 2 years.**

Their Statement of Purpose is to provide an open forum for A.A. members from throughout New Mexico to explore what “Service” means in A.A. – what it is, why we do it, how it works, and how to be a part of it. This forum is founded on the idea that growing in understanding about service helps each of us become better able to be of service. Some of the topics they have covered are:

- all about the home group
- rotation and transition
- better AA business meetings
- remote communities and AA service
- committee process
- what are Concepts and why are they important
- the upside-down triangle ~ service and all levels
- experiencing Traditions in our groups

Area 38 Eastern Missouri has a committee covering needs outside of the Standing Committees that help to carry the message to the deaf and hard of hearing. They struggled with cost of interpreters as most Areas have, but have found a way to support this need. In 2013 one meeting a week was interpreted and this was on a volunteer basis. Today 5 plus meetings a week are interpreted each week and these professional men and women are paid for their services.

Our Southwest Regional Forum will be held October 11th – 13th, 2019 in Houston Texas at the Sheraton North at George Bush Intercontinental. (Admission is free) Go to [www.aa.org](http://www.aa.org) to register.

# ALT. CHAIR

This term as alternate chair has flown by for me. It has been such a privilege to serve Area 25. I truly love to watch the Assembly and Committee meetings come together. I enjoy seeing old friends and new friends getting involved in service. I have learned a great deal in this position, which I hope will help me in continuing on as your Area Chair in January. Last note of business is that the contract for next year is in our hands and we will be at the same facility moving forward. Let's have some fun and look forward to seeing you all in October.

Thank You for allowing me to serve,  
Darin Hall  
Area 25 Alternate Chair

# ACCESSIBILITIES

- There's a new District 5 accessibilities chair
- District 10 reported there is a meeting for hard of hearing they have too many days a week at the Olathe group Tuesdays and Thursdays on Thursdays there is an interpreter provided. Current attendance is about 3 people
- District 19 still has phone meetings every Monday at 8 and they are trying to arrange a format for the meeting the email address is www.D19 access.
- One of the problems that was brought up by District 5 was groups that have people acting inappropriately towards the opposite sex and they are trying to solve this by these people go to the same sexual orientation meeting.
- District 27 reported they had taken a meeting to someone that was bedridden but there is not much demand for that
- Al-Anon liaison was not present but was told that the state conference was a success

Carlos W.

# CHRONICLER

- 9 people in attendance
- District 6 gave two new group histories and they're working on more.
- District 8, 10, 19 and 26 don't currently have a chronicler archivist chair. I will be at district 10 in September to hopefully to help get somebody for that position.
- Discussed how I provided four boxes of information from the old KASO office how we're missing some minutes from our Area Assemblies and some GFP historically so when I went through those boxes I was able to find some of the missing minutes and get some of the stuff scanned, we are still missing some.
- I have provided everyone the inventory of what we have and what we don't have to encourage others if they have the missing information to get that to me
- I have a pretty comprehensive list of group histories and updated it to include every year that we have ever collected a group history. I encourage every group to do a history.
- Moved all the inventory into a storage facility this is important so that anyone can serve you don't have to have a place to store the inventory.
- Worked on cleaning up the Google Drive for the next rotation everything was on thumb drives.
- Discussed how to collect oral histories and provided release form

# CPC

There were seven districts represented at the committee meeting. District 10 CPC chair Elliott has a goal to mail out 300 packets to area professionals, this includes doctors, lawyers, psychiatrists Charlie from District 6 reported that they are working with Gary County to get an AA meeting in the jail. This is a Corrections project but there was a lot of Outreach that happened before as there hasn't been a meeting there in 15 years Coffeyville Hospital work has been successful. An ER doc has let them do 12-step work for one tough case. As a committee we will be working with District 5 to hopefully hold a CPC presentation open to the public for area professionals held in Salina. Ended with a good discussion about how the area can support CPC Outreach at the area conference in September.

In Loving Service,  
Jody H.

So if you are needing to stock up, I will have them at the Salina meetings for a bargain price of three bucks each. Thanks for the opportunity to serve!

Discussed getting info out to public libraries, school libraries and Facebook (anonymity protected). Still working on getting meetings from districts for the area website. Some districts having daily message on a phone call from their central office or District web chair. District 19 reported that their bus ads are starting to get a return.

# TREATMENT

Greetings Area 25!!!!

It was nice to see you all at Area Assembly in July J I want to thank everyone that attending the Treatment Break Out session and for participating in discussions on treatment facilities in your area.

## **Discussion on literature pamphlets in treatment centers or Half-Way houses/Oxford Houses?**

- Local groups or district that are willing to provide pamphlets to these places possibly in the form of packets or having a display? Have each home group in your district make packets or donate pamphlets monthly and take to District meeting or get them to whoever would be responsible of getting them to the locations.
- What should be included? Packets; a few basic pamphlets about AA, what it is and what it is not,
- Home Group, Sponsorship, etc.... along with meeting schedule and possibly a Grapevine. Display; a variety of pamphlets so they can choose the ones that best fit them.
- If you do packets what would you call them? Newcomer packets, Hope, Welcome, Get Connected or whatever your group/district chooses.

## **Share the Meeting Guide app with them and the administrators so they know when and where meeting are when they get released.**

- Make arrangements for you or someone in the area they are going to, to pick them up and take them to a meeting and introduce them to people in the fellowship and maybe coffee afterwards.
- Thank you for allowing me to be of service at the Area Level and please don't hesitate to call or email if you have any questions.

# WEBCHAIR

There were six attendees in the meeting. Talked about getting some professional support for the Area 25 website since there have been issues in the past: nine proposals from hosting and support companies, hope to have a proposal ready before the committee meetings to be voted on in January.

File manager is currently broken on the website. Most of our discussion was about the meeting guide app it is now owned by AAWS and it works well when the info is correct. Would like to make certain entities responsible for certain districts. Discussed slow website and making the website bilingual. Mailchimp is now at 1511 participants GSO's website will be shut down from July 23-August 5th to update their system. This means we will have to reset auto pay to GSO.

# I JUST DIDN'T

A Poem Written by Kim C. from Newton Group

I just didn't want to drink again or so it seemed  
I was tired of being a prisoner of my own mind,  
Seeking answers I could not find  
Reliving the hell that only I could see,  
Needing something way more...than just me  
I longed to be happy, joyous, loving, and free  
To live the life that God intended for me  
On this journey I must go,  
Peeling back all the me I used to know;  
Awaiting for me a new life...a beautiful glow  
Where are the answers you seek to see,  
Well, in a room full of people, just like me  
Another fella said, "get in the boat" in not so many words  
I just knew in my heart with love and tolerance we sailed away, that's where I felt I truly belonged  
The river seemed rocky, not knowing what's in store, I don't think I can do this anymore  
Remembering all the shit I needed to know, all the horrible shit that killed my spiritual glow  
With all the earnestness I felt in my heart, I had to be really real right from the start  
WTF? How can this be? Most of my problems Me vs ME  
Damage is done time to move on unraveling all the wrongs I have done  
Forgiveness is key; its key you see  
So now I finally give myself permission to forgive...well...Me

### **A Vision for You - pg. 164**

Our book is meant to be suggestive only. We realize we know only a little. God will constantly disclose more to you and to us. Ask Him in your morning meditation what you can do each day for the man who is still sick. The answers will come, if your own house is in order. But obviously you cannot transmit something you haven't got. See to it that your relationship with Him is right, and great events will come to pass for you and countless others. This is the Great Fact for us.

Abandon yourself to God as you understand God. Admit your faults to Him and to your fellows. Clear away the wreckage of your past. Give freely of what you find and join us. We shall be with you in the Fellowship of the spirit, and you will surely meet some of us as you trudge the Road of Happy Destiny. May God bless you and keep you--until then.
