

## KAAAAI Board Discussion, January 2023

- Much discussion on the past and current makeup of the KAAAAI Board as well as duties and responsibilities was had at the October 2022 Committee Meetings.
- Currently the KAAAAI board consists of the following 5 individuals:
  - Area Chair (serves as Chairman)
  - Area Treasurer
  - Area Secretary
  - Two members elected by the Assembly.
- One suggestion discussed was to add some geographic diversity to the board to assure that all regions of the state were represented, this suggestion would propose changing the board makeup to the following 9 members
  - Area Chair (serves as Chairman)
  - Area Treasurer
  - Area Secretary
  - Two members elected by the Assembly.
  - Four members, one from each quadrant of the state (NW, NE, SW, SE) appointed by the Area Chair.
- Based on this discussion, I would expect a motion to come from the floor to make this change in January.
